ABOUT ME

I am a hard working, honest individual. I am a good time keeper, always willing to learn new skills. I am sociable and friendly, helpful and polite and have a good sense of humor. I am able to work well both in a team environment as well as using my own initiative. I have a dynamic approach to work and getting things done. I have a creative mind and I am always up for new challenges and also well organized. I am seeking employment that will make the best use of my skills and allow me to develop them further. I have high moral principles, whatever I do, I work at it will all my heart.
